

## JUNIOR HIGH LUNCH RELEASE FORM

Junior High School (JHS) students are expected to remain on school grounds and under the supervision of school personnel during the JHS lunch period.

Parents/guardians who wish to grant permission for their student to leave school grounds during the lunch period may use the form below for blanket permission to leave school grounds any lunch period. Parents/guardians may revise this form at the beginning of a new 9-week grading period to adjust the status of their student.

Parents/guardians may also provide their student permission to leave school grounds during lunch on a given day by sending a signed, written note which the student must turn into the Office before the start of Period 1 on the day to be released. A parent/guardian may also come to the Office to sign out their student for lunch.

The school shall have no responsibility for students at such time they leave school grounds as they become the sole responsibility of the parents/guardians at that time.

Any student discovered or reported leaving school grounds without parent/guardian permission will have this incident reported to the parents/guardians of the student upon discovery by school officials. Any discipline will be between parents/guardians and student for such infraction.

If you have any questions regarding this procedure, please contact the Office at 746-0400.

---

My student, \_\_\_\_\_, has permission to leave school grounds during the JHS lunch period. I understand that I may change this release at the beginning of a new 9-week grading period. I have explained to my student that this privilege may be changed at the beginning of a new 9-week grading period if for some reason I feel my student is incapable of handling this privilege. I understand that I shall have sole responsibility for my student at such time he/she leaves school grounds and the school shall have no responsibility for my student during such time.
